Career Objective

Motivated and detail-oriented B.Tech student specializing in Artificial Intelligence and Machine Learning with strong analytical, problem-solving, and communication skills. Proficient in Python, Java, SQL, and web technologies. Seeking an entry-level role in Software Development, IT Support, Data Analysis, or related IT domains to contribute technical expertise and continuously enhance professional skills.

Education

KIET Engineering College, Kakinada

2023–2026

B.Tech in Artificial Intelligence and Machine Learning

CGPA: 7.1/10

A.P. Model College, Vemulapudi

2020–2022

Intermediate (MPC)

91%

A.P. Model School, Vemulapudi

2019–2020

SSC

100%

Technical Skills

- Programming Languages: Python, Java
- Database: SQL
- HTML, CSS, JavaScript
- Operating Systems: Windows, Linux
- Tools & Platforms: Git, GitHub, VS Code, Microsoft Office
- Technical Skills: Troubleshooting, Debugging, Software Testing
- Soft Skills: Communication, Problem Solving, Team Collaboration, Time Management, Adaptability

Projects

Smart Agriculture System

- Developed predictive models using Python, Random Forest, and KNN algorithms.
- Performed data analysis, troubleshooting, testing, and documentation.
- Improved problem-solving skills through real-world implementation.

Pet Adoption Platform

- Developed a responsive web application using HTML, CSS, and JavaScript.
- Diagnosed and resolved technical issues during development and testing.
- Improved user experience through effective front-end implementation.

Internships

Swecha Foundation – Summer AI Internship

- Collaborated with team members on AI/ML projects and technical tasks.
- Maintained project documentation and communicated progress effectively.
- Applied troubleshooting and analytical skills to solve project challenges.

AIML Virtual Internship

- Worked on machine learning workflows and model evaluation techniques.
- Gained experience in issue identification, testing, and documentation.
- Strengthened analytical, technical, and communication skills.

Certifications

- Foundations of Modern Machine Learning
- Python (Basic) – Infosys Springboard
- Introduction to Data Science

Achievement

- Secured 1st Place in a College-Level Hackathon for an innovative Machine Learning solution.
